Our story

A home cinema is more than just a room-it's an experience, a space where every detail matters. At GFC, we believe that the perfect movie night begins with the perfect seat. That's why we create one-of-a-kind, tailor-made seating solutions, ensuring that every chair is a seamless blend of luxury, comfort, and personalization.

With a foundation in smart furniture innovation, our expertise comes from GFC a leader in seating technology and furniture design since 2015. For years, we have supplied top-tier furniture manufacturers worldwide, developing and refining the very components that make cinema seating exceptional.

Now, we bring this experience directly to you, ensuring that every chair is built with trusted, high-quality materials that we have developed, tested, and perfected ourselves.

GFC Dean

Inspired by oversized American furniture, the Dean is one of our best-selling models, delivering unmatched comfort and versatility.

With its generous proportions (**88 cm x 88 cm / 35" x 35"**), Dean invites you to sink in, unwind, and fully immerse yourself in the cinematic experience.

With multiple available customizations and universally accepted cinema design, the Dean is very likely to satisfy broad range of tastes and expectations.

GFC Globe

An interpretation of English heritage and furniture designs the Globe model is the embodiment of timeless luxury.

With its elaborate stitching patterns, rounded and padded armrests, this model requires a very high level of craftsmanship and skill to upholster.

As the largest seat in our Silver Collection **(100 cm x 89 cm / 40" x 35")**, Globe is designed for those who seek grand and immersive seating experience.

GFC Norah

Norah is a sleek and modern trendsetter that brings a new level of versatility to home cinema seating.

Designed with a low-profile backrest and the only Silver Collection model available with a chaise longue, Norah is equally fit for media room or contemporary home cinema layout.

Available in several armrests and seat widths, Norah is fully modular and can be used as a loveseat, sofa, chaise longue, or individual chair.

GFC Rivoli

Named after the famous Rue de Rivoli in Paris, this chair is a tribute to timeless style and luxury.

Despite its slender frame (**87 cm x 84 cm / 34" x 33"**), Rivoli does not compromise on comfort. Its sleek, slim profile and impeccable craftsmanship make it a standout piece for modern home cinemas.

With multiple armrest options, it can be tailored to fit different spacing requirements, making it an excellent choice for both cozy setups and larger cinematic spaces.

GRAND FILM CHAIRS SILVER COLLECTION

GFC Vivid

The Vivid model is the most progressive and cutting-edge design in our Silver Collection.

With its sharp, boxy silhouette and clean architectural lines, Vivid embodies a futuristic aesthetic that redefines home cinema seating.

Measuring **87 cm x 86 cm (34" x 34")**, Vivid is designed for those who appreciate sleek and contemporary cinema interiors.
